

Funding - Knowing that our state is seeing record tax collections, and with over \$4 billion more in revenue compared to the last time our two-year budget was written, would you support tax increases for any of the following?

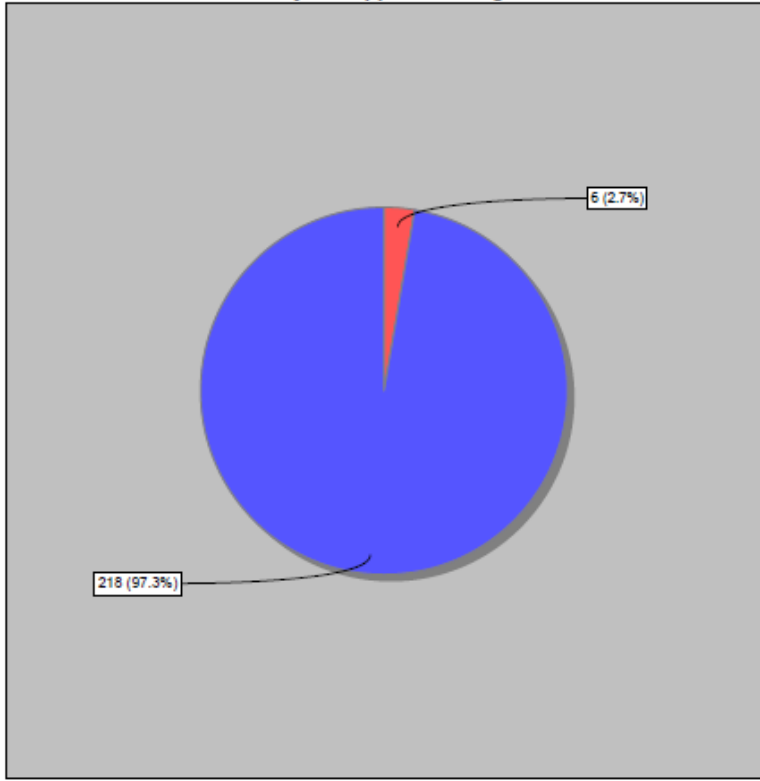

● Mental Health Funding ● More School Funding ● Special Education Funding
● Expanded Single-Payer Health Care ● Transportation Projects ● No Tax Increases

Vaccinations - Do you support eliminating the parental choice to opt-out of certain child vaccinations?

● Yes ● No

Newborn State Visit - Legislation has been introduced to allow state officials to visit your home when new babies are born to give information about state programs, however, there are currently no limitations to the information they can collect while in the home. Do they deem the home safe? Are there guns in the home? Etc. Would you support this legislation?

● Yes ● No
